Docket No. 98N-1265

Food and Drug Administration APR -7 AIO:15

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: We should be able to get
prescriptions from out of state,
especially we who do not have
insurance. This way the cost is
lower.
